HOTELS IN THE ESTERO AREA

We have teamed up with **Lee County Sports Housing** to offer discounted hotel accommodations for this event. A team of local reservation specialists are available to share their knowledge of each hotel's amenities. They also can direct you to the best beaches, attractions, shopping, and restaurants. They are the best resource for booking rooms in the Estero and Ft. Myers area, especially in the wake of Hurricane Ian. Discounted rates are only available by calling the number below or reserving directly through the website link listed below.

Lee County Sports Housing Contact Information

Hotels in Lee County usually book quickly during this time of year with Spring Training, tournaments and Spring Break. As a result of the damage from Hurricane Ian, many hotels are still housing First Responders and repair crews so the **Lee County Sports Housing** folks have the strongest contacts for arranging rooms.
